Five Easy Steps

Two

Four

Pre-Production

- **Client Onboarding:** Introduction to our system.
- **Concept Development:** Creating concepts and storyboards aligned with the client's vision.
- **Talent & Location Scouting:** Identifying and securing talent and locations.

Post-Production

- **Editing & Effects:** Enhancing visuals with professional editing and special effects.
- **Review & Feedback:** Collaborating with the client for revisions and final approval.

One

Three

Five

Discovery & Planning

- **Client Consultation:** Understanding client goals and objectives.
- **Research & Strategy:** Analyzing market trends and develop a strategic plan.

Production

- **Efficient Execution:** Filming scenes within days with our dedicated team.
- **High-Quality Output:** Utilizing state-of-the-art equipment and techniques.

Delivery & Distribution

- **Final Product Delivery:** Providing high-end videos and photos ready for launch.
- **Marketing Support:** Assisting with distribution strategies to maximize impact.

Asus ESG Campaign

Objective:

Create high-end videos and photos showcasing ASUS's sustainability efforts and the Zenbook's ESG components.

Strategy:

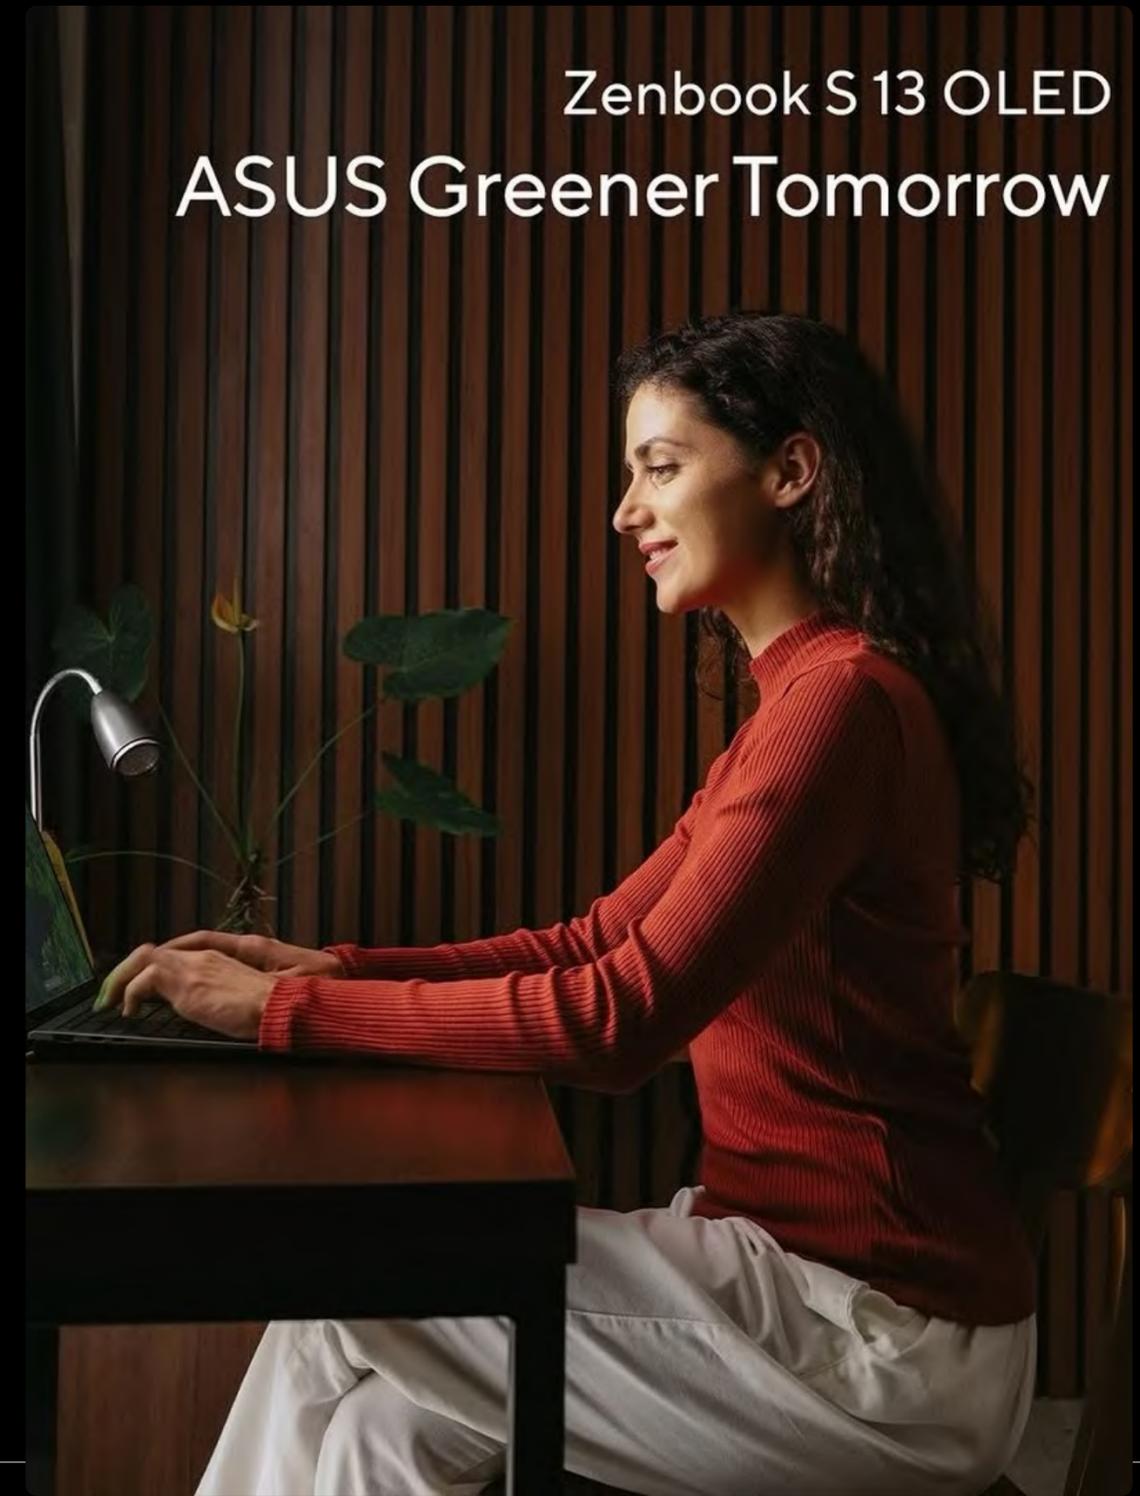

- **Pre-Launch:** Teasers on environmental knowledge to build ESG awareness.
- **Launch:** Highlight ASUS's ESG initiatives and Zenbook UX5304's key sustainability features.
- **Post-Launch:** Produce relatable content addressing user pain points, linked to ASUS's solutions.

Execution:

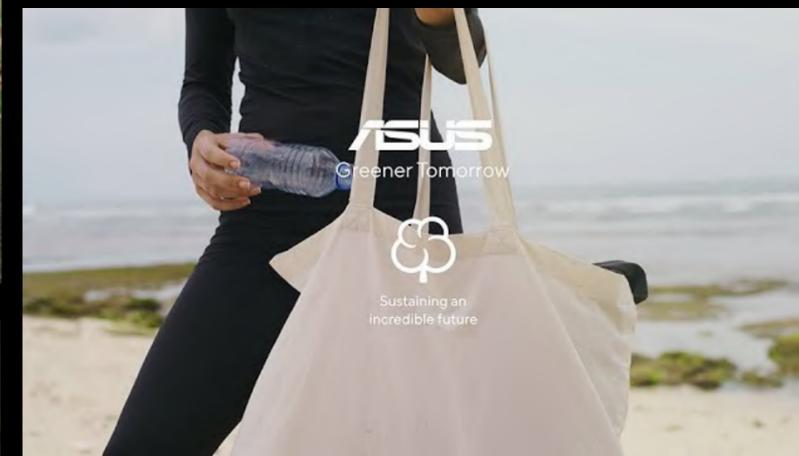

- **Fast Production:** Shot over 100 scenes in three days.
- **Comprehensive Output:** Produced 9 high-quality videos and 20 photographs.
- **Global Appeal:** Scouted diverse talent from various countries

Result:

- **Increased Engagement:** Over 22.5% boost in ASUS's social media engagement.
- **Enhanced Brand Perception:** Strengthened ASUS's reputation in sustainability and innovation.
